Dear Julia

On behalf of everyone at East Anglian Air Ambulance (EAAA) it is my pleasure to thank you for your recent and very generous donation of £1,700. Please pass on my sincerest thanks to everyone at Gundog Society who has contributed to this amazing total at the trials. Please accept this letter as your receipt. Please do let us know if you plan to hold any similar trials in aid of EAAA, we would love to support the event.

We are delighted to hear that Mark is back at work, he may not be aware that we do offer an after care service, to help him understand how the crew were involved and potentially answer any questions. Perhaps you could mention this to him and suggests he gets in touch with Alison Brett by emailing aftercare@eaaa.org.uk or her mobile is 07495 548110.

Our helicopters are able to reach anywhere in the region within 25 minutes. Our pilots fly a highly-skilled doctor and critical care paramedic team along with A&E level medical equipment, to patients who have suffered life-threatening accidents and medical emergencies.

We rely on the generous support of the community, without whom we could not continue to provide our life-saving service. If you would like to find out about other ways of supporting EAAA please get in touch with our fundraising team. Together we really can save lives.

Yours sincerely

PP
